

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2842/P1dn
ARG:sac:rs

September 5, 2013

ATTN: Craig Arrowood

Please review the attached draft carefully to ensure that it is consistent with your intent. As discussed, the attached draft does not include any funding for start-up costs of the Wisconsin Beer Commission. I recommend that you discuss with the Legislative Fiscal Bureau the options for funding start-up costs for the commission. We can then incorporate the product of that discussion into this draft.

Please let me know if you would like any changes made to the attached draft or if you have any questions.
